#### ARB\* Air Compressor kit, twin motor, on-board, 12 V

The twin motor air compressor kit is designed to be mounted on-board the vehicle, behind the right hand side rear wheel arch. It provides air on demand, at any time, from an air coupling outlet neatly mounted on the inner side of the load bed. The air compressor is constructed of lightweight and high-strength engineering grade materials for a quiet operation and extended durability. It has a class leading airflow rate and has been designed for fast inflation purposes. The kit contains the air compressor, mounting bracket, wiring harnesses, compressor switch, high pressure hose and all the necessary fittings required.

To be used in combination with the ARB Pump Up Kit and the ARB tyre pressure gauge (available separately) – Except Raptor

2 765 743

Prices valid from 24.06.2025. The right is reserved to change prices.

**ARB\* Auxiliary Battery Kit**

The auxiliary battery system offers an independent power source for items such as fridges and camp lights, and also acts as a back up if the main battery fails. The under bonnet auxiliary battery kit contains 12" battery tray, mountain bracket kit, charger and wiring kit. Please note: battery not included. – Except Raptor

2 683 509  
**£1,516.80<sup>1</sup>**

**ARB\* Awning with LED light, 2 m x 2.5 m**

Self-standing, retractable awning to provide much needed shade from the sun or shelter from the rain when camping. Neatly attached to your vehicle's base rack, it's ready for immediate use on arrival as set up takes only 30 seconds. Simply unzip the protective bag, undo the two velcro straps and unroll. Supported by two height adjustable vertical telescopic legs and kept taut by two horizontal telescopic poles. Can be used in combination with the ARB deluxe awning room and ARB wind break (available separately)

2 616 029  
**£510.62<sup>1</sup>**

**ARB\* Cabin Fitting Kit for ARB roof base rack**

The cabin fitting kit is required to fit your ARB roof base rack to your vehicle. The ARB roof base rack is kept as close as practical to the vehicle roof. – Double Cab. Please note: cannot be fitted on a hard top

2 683 507  
**£862.80<sup>1</sup>**

**ARB\* Cable Guide for coolbox drawer**

The cable guide prevents wiring cables from getting caught up in cargo or snagging in the sliding motion of the fridge roller drawer. It allows your cables to be decluttered and protected by providing an enclosed track. Supplied in a 1m length, the cable guide can be shortened to accommodate your own fridge and drawer set-up.

2 615 998  
**£37.45<sup>1</sup>**

**ARB\* Cargo Track and Load Ring Kit for coolbox tie down, set of 2**

The cargo track and load ring kit contains 2 x load rings, 2 x 45 mm lengths of cargo track and fixings. It can be used as an attachment point for the coolbox tie down kit.

2 616 026  
**£27.14<sup>1</sup>**

**ARB\* Deluxe Awning Room with floor and side panels, 2 m x 2.5 m**

Designed to function as a fully enclosed room or mosquito net and provide privacy and additional protection from the weather and insects while camping. Set-up is quick and easy, the room attaches to the awning using the awning rope tracks and room clips, it is then pegged down to the floor by the webbing straps. The room has 3 dual layered exterior side wall panels with solid and mesh zipper access doors, 1 side wall panel with a solid zipper access door to the vehicle, it's own mesh ceiling panel to help keep the room cooler and a durable waterproof floor.

To be used in combination with the ARB awning (available separately)

2 616 033  
**£346.66<sup>1</sup>**

**ARB\* Eye Bolt Tie Down Kit for base rack, set of 4**

The eye bolt tie downs slide into any position on the base rack and help provide quick and safe lashing points for securing your loads.

2 616 018  
**£73.07<sup>1</sup>**

**Eye Bolt Tie Down Kit for sliding bed tray, set of 4**

To be used in combination with the sliding bed tray. The eye bolts can be locked into any position on any side of the sliding bed tray and help provide quick and safe lashing points for securing your loads. – Except Single Cab

2 634 290  
**£2,923.20<sup>1</sup>**

### ARB\* Roller Drawer with fixed upper floor

The roller drawer provides easy to access, sliding, pull-out storage space. It comes with a fixed top, which has a flat surface for storing other items. Constructed from water resistant bonded marine plywood with steel reinforced guards and finished with a UV stable commercial carpet to complement your interior. Can be used in combination with ARB slide kitchen, ARB side floor kit and ARB front floor kit (available separately)

2 615 994  
**£1,170.00<sup>1</sup>**

### ARB\* Roller Drawer with roller upper floor

The roller drawer helps provide easy to access, sliding, pull-out storage space. It comes with a roller top, which has a flat surface for mounting a fridge freezer, enabling it to be rolled in and out as required. Constructed from water resistant bonded marine plywood with steel reinforced guards for superior strength and finished with a UV stable commercial carpet to complement your interior. Can be used in combination with ARB slide kitchen, ARB side floor kit and ARB front floor kit (available separately)

2 615 996  
**£1,273.20<sup>1</sup>**

### Pickup Attitude\* Roof Base Rack Alpharack with LED light

The roof rack is constructed from aviation quality aluminium with T-slots in various positions for mounting your load. Key lockable to your crossbars. The LED light is powered by the car charger adapter and controlled via bluetooth on your phone app. Please note: The LED light must not be used while driving.

2 828 519  
**£1,389.60<sup>1</sup>**

### ARB\* Roof Base Rack aluminium

The ultra sleek, low profile and lightweight roof rack base is mounted close to the vehicle's roofline thanks to its superior strength. Constructed from fully welded extruded aluminium with a cross beam design, each internal and perimeter beam is made from a single seamless extruded aluminium box piece with internal bracing for added strength. The roof rack base also boasts a modern sliding dovetail side-mounting system that helps make attaching, repositioning and removing loads and accessories easier, faster and more secure. To be used in combination with the ARB cabin fitting kit (available separately)

2 616 010  
**£594.94<sup>1</sup>**

### ARB\* Rooftop Tent Flinders, with ladder

The Flinders rooftop tent is designed to be fitted to your vehicle's roof rack base or roof crossbars. Strong, rigid and water resistant, it's the perfect companion for all your camping trips. It sleeps two adults and is suitable for all weather conditions. Your tent can be pitched wherever your vehicle can take you and you're only one fold away from a good night's sleep. Set-up is quick and easy as the bedding and frame are completely integrated. Simply unzip the cover, which does not have to be removed, open out the tent using the ladder and slide the extendable poles into position, all internal poles will fan out into place. Getting in and out of bed is easy using the retractable aluminium ladder. Packing down is simple using the 2 internal bungee cords to help pull the sides of the tent in as it folds down. To be used in combination with ARB narrow bridge mounting plate kit for ARB roof rack base or ARB mounting bracket kit for roof crossbars.
