Rear Bumper Protector, brushed stainless steel

Effectively protects your vehicle's rear bumper during loading or unloading. Its model specific, perfect fit shape ensures a smooth blend into the vehicle's design. Offers maximum paint protection and features self-adhesive tape for quick and easy fitment, no drilling required.

2 325 995

€172.63²

ClimAir®* Rear Bumper Protector contoured, matt black

Helps to protect your vehicle's rear bumper and bumper edge during loading or unloading, made of durable material

2 122 070

€119.94²

Rear Bumper Protector foil, transparent

Very thin yet highly durable elastic foil that effectively protects your vehicle's rear bumper and bumper edge from getting scratched when loading and unloading. Ensures a smooth and almost invisible blend into the vehicle's rear end design due to its model specific perfect fit shape, high grade transparency and very low thickness. Offers long-term durability without developing a yellowing effect. Also folds over the bumper edge for enhanced protection. Foil can be removed residue-free without impact on the body paint. Thickness: approx. 150.0 µm, temperature resistance: -40 °C to +110 °C. Self-adhesive for quick and easy fitment

2 449 995

€32.15²

SAFETY & SECURITY ANTITHEFT DEVICES

RRP

Motion Sensing Key Fob for keyless entry, with ST logo

The new motion sensing key fob detects when it has been stationary for longer than 40 seconds and triggers a sleep mode. This stops all attempts to hack its signal with a relay box. Moving the fob by picking it up inside your home and walking to your vehicle disables sleep mode and restores full functionality. The Motion Sensing Key Fob is designed to operate within a 2 metre radius of the vehicle it is bonded to. – ST

2 467 415
€125.10¹

COMFORT COMFORT PRODUCTS

RRP

Armrest Armster OE1, with integrated USB slot

Folding armrest to be fitted to the side of the driver's seat. Features an integrated spacious stowage box with anti-slip mat and a padded leatherette surface, adjustable height and angle, soft open/close functionality, sliding top and USB slot inside the armrest for charging (energy supply only). Storage capacity of approx. 1 litre, armrest body colour in black. Supplied with vehicle specific metal adapter for installation – Except vehicles with factory fitted armrest

Eibach®* Pro-Spacer Kit Wheel Spacer System 4, silver anodized

Kit contains 1 pair (2 spacers). Your vehicle looks wider with the wheel spacers installed as its wheels are flush with the outer edges of the wheel arches, significantly enhancing its optical appearance. By increasing the track width, an optimized driving behavior combined with higher stability is also achieved as it positively influences the roll of the chassis. Please note: possible wheel arch extension / body work required before fitting. Please consult your local dealer.
