Charging Key Fob for Ford BlueOval™ Charge Network (BOCN)

The Charging Key Fob is designed to operate public charging points within the Ford BlueOval™ Charge Network (BOCN). It can be used as a replacement for an existing RFID key fob or replace the RFID card for an existing account. Additionally, its printed key fob number can be used to register and activate a new BOCN account. Not for use on PHEV. – Battery Electric Vehicle (BEV)

2 707 942

€0.64¹

Charging Port Winter Cover

While charging your vehicle in freezing winter conditions, the charging port winter cover helps to protect your vehicle's charging port from ice, snow and dirt. The flexible soft rubber cover sits neatly in the charging port aperture. – Battery Electric Vehicle (BEV)

TRANSPORTATION ROOF TRANSPORTATION

RRP

Q-Top® (Q-Tech)* Get-Up Telescopic Ladder with 6 steps

Used in conjunction with the Q-Top® roof gallery, the user-friendly get-up telescopic ladder enables safe and easy loading and unloading of the roof rack. Unlike permanently fixed vehicle ladders, it gives optimal access to 3 sides of your vehicle by hooking onto the roof rack in any position along both sides or the rear. An additional advantage is it can also be used as a conventional ladder at the job site itself. Stored inside the vehicle when not in use on a specially designed storage bracket (available separately) – Medium roof

2 582 973

€550.18¹

Q-Top® (Q-Tech)* Ladder Roller for Q-Top® (Q-Tech) roof gallery

The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time and images may vary. This publication contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. *The identified accessories are carefully selected third party supplier branded accessories and may have different warranty conditions, the details of which can be obtained from your Ford Dealer. The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPhone/iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners.

Note on fuel consumption and CO2 emission data: For more information about the official fuel consumption and the official model specific CO2 emissions please refer to the "Guide on the fuel economy, CO2-Emissions and power consumption" which can be obtained at your dealership and on <https://www.datgroup.com/> free of charge.

Dealer fitted accessories are fitted after registration and could have an impact on your vehicle's fuel / energy consumption. The Combined Fuel / Energy Consumption and Combined CO2 Emissions (WLTP) figures do not include dealer fitted accessories.
