## Qi Wireless Charging Kit integrated vehicle-specific solution

2 751 527

Quicker, easier and neater than wired charging, a wireless charging kit allows you to recharge a range of devices whilst you are on the move. There's no need to plug and unplug each time - simply place the device on top of the wireless charging pad.

Tailor-made plug-and-play system enabling quick and easy wireless charging for Qi compatible smartphones (inductive charging technology). Starts charging immediately when the smartphone is placed onto the charging pad inside its dedicated storage and automatically switches into standby mode when the battery is full. For additional safety the charger shuts off in case coins or other metals come in contact with the charging pad
